

Centrally situated and surrounded by Limmat, the lake of Zurich and the Bahnhofstrasse, one of the most historical buildings of the new baroque era is the place to meet. The Metropal, in the house of the Bank Clariden Leu, combines a feeling of good taste with modern style and atmosphere.

The metropolitan Café/Bar entices to enjoy a coffee in the morning as much as a drink in the evening. The restaurant surprises with daily business lunches and seasonal harmonized, international highlights for gourmets.

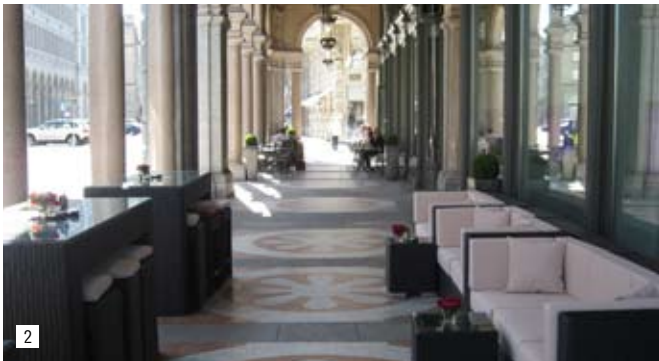

In short - the Metropal sets new courses in Zurich's gastronomy.
